

TO WHOM IT MAY CONCERN

This is to certify that **Mr. Pushkar Anand** has successfully completed his internship with **Cyber Expert** as an **AI Engineering Intern** from **March 3, 2026, to September 2, 2026**, for a period of **six months**.

During his internship, Pushkar was associated with our **Technology Function**, where he worked primarily in the areas of **Artificial Intelligence and AI-enabled application development**. His responsibilities included developing **LLM-powered workflows, backend APIs, and intelligent application features**, while applying contemporary AI engineering practices to real-world software projects.

Throughout the internship, Pushkar demonstrated a strong ability to **understand and apply emerging technical concepts, integrate AI capabilities into software systems, and develop practical, reliable, and user-focused solutions**. He approached his responsibilities with professionalism, adaptability, and a commitment to delivering quality work.

Skills & Tools Used:

- **Programming & Backend:** Python, Django
- **AI & Machine Learning:** Machine Learning, Computer Vision, NLP, RAG, LLMs, OpenAI API
- **Frontend Development:** React.js, Tailwind CSS
- **Authentication & OCR:** OAuth 2.0, OCR
- **Data & Database:** MySQL, MongoDB
- **Version Control & Collaboration:** Git, GitHub
- **Project Management lifecycle:** Jira

Performance Evaluation:

Pushkar displayed a strong willingness to learn and an ability to apply new concepts efficiently. He adapted to technical responsibilities, contributed to project development, and demonstrated dedication throughout his internship.

We extend our best wishes to Pushkar for his future endeavors. We are confident that the skills and experience gained during this internship will provide a strong foundation for his professional journey.

For, Cyber Expert
